PASSED BY BASE 1161 ARMY EXAMINER

Hello Folks,

Had sort of an eventfull day for the past couple, with no sign of a let up for tomorrow. It always seems to go in cycles - first rest and then work. - It's good it's not all work, or strangely - all rest! -

Have had it plenty hot here for the last few days. - Sorta reminiscent of Africa last summer! - If that's any indication of what we have to look foreward to for the coming summer, then I say, if for no other reason, it's time for me to go home! Have been trying to make use of the sun by getting a good sun tan - but it's been too hot for that even. - I have a picture Al Brennen took of me the other day - all diked out. My shirt is unbuttoned, my shirt tails out, sun glasses on, and all topped by Al's "pith helmet"! I look sorta like a "Dr. Livingston" character. I'll send it in my next regular letter.

Am "on" again tomorrow, so once more I must caution you not to let 'em get "uncrossed" until I give you the word! - Sure wish that day of my "orders" would get here quick!

Lots of Love,
Frank
